5. CHIVINSTEIN would like to have from us all we know about these people for comparison with what he has. None of the above, nor their associates, are working for WERNER. In fact, RADEMACHER has publicly made statements that he could never work for UTILITY.

6. We assume Headquarters has a good deal of information not available to us here. May we have full traces on these people, cleared for passage to UPONING? There is no information in the Munich Base files which did not originate here. We note that we asked for information on von LEHNS in August 1947 (SCLA-2428, 27 Aug 1947).
